

2011 FUTURITY STALL & CAMPING INFORMATION

RV Parking - Vehicles occupied overnight without displaying the permit are subject to enforcement of the University's no camping ordinance by the Michigan State University Department of Police and Public Safety. Permits are not allowed to be used more than one time. Campers are not allowed to plug into the facility (this includes the outside wall). Two water hydrants are located in the campground area to fill tanks.

Except in connection with approved University activities which require overnight occupancy at the site of the activity, no person shall camp within land governed by the Board. "Camping" means the erecting of a tent or shelter of natural or synthetic material, preparing a sleeping bag or other bedding material for use, parking of a motor home, or trailer for the apparent purpose of overnight occupancy. It shall be in violation of this ordinance to camp without permit.
